Southwest Miami Senior High School Wireless Network

As you may have discovered, there is a wireless SSID/Name that is called "Eaglet" that is temporarily being broadcast on our network. Students and staff are able to connect to this SSID/Name and will be prompted for a password. The password for students and staff is E@gleNest (type it exactly as you see it). Once the password has been typed, users must go to their internet browser. You will be redirected to a portal page asking for a username and password. Students and staff need to log in as follows:

Students

Username: participate\XXXXXXX (ex. participate\9999999)
Password: XXXXXXXX
The X is the Portal Username and Password

Staff

Username: XXXXXX (ex. 999999)
Password: XXXXXXXX
The X is their Dadeschools employee number and password
