**Natalie Cabieses**

Dear Natalie,  
 I am so proud of the beautiful young woman you've become. I admire your loyalty and applaud your fierce sense of fun-play, how you stand up for your beliefs even when doing so puts you in the line of fire. Never allow the music in your soul to fade into silence and when the winds of life threaten to knock you down I hope you find the courage to spread your wings and fly.  
 As you move on to the next chapter in your life, keep in mind that life has no limitations except those that you place upon yourself - live your dreams, design a life of substance for yourself! Most importantly, remember that your life is truly your life... it belongs to you. It is your story to write, day by day, live by line.  
 And remember, through all your joys and pains, I'll love you always.  
 Mom

Jacqueline,  
 Congratulations on completing this first chapter of your life. Not everyone who started this journey finished, for one reason or another. But you did. Now it is time to move on to bigger and better things, to write the next chapter in your life. Always follow your dreams, reach for the stars and don't let anything stand in your way. We are very proud of you. God bless you.  
 Love,
