

Dear Ms. Fletcher,

A big thank you to you and to the students of Southwest Miami High for the wonderful toy donations for children in Haiti! We are delighted and overwhelmed by the generous response. THE Mission has been working in Haiti since 2004, bringing teams to do community building projects in the towns of Dessources and Bercy. The toys your students donated will bring great joy to the children of the Bercy community and the Cabaret Baptist Children's Home. If you would like to know more about this special orphanage, check out their website at [://bahaiti.org/](http://bahaiti.org/).

We will be taking plenty of pictures and video of the present distributions so that the students can see the impact of their giving. If you would like to see updates and pictures of our trip during the week, feel free to add me, Charity Remington, on Facebook or watch our Facebook page (TheMissionHaiti). Thank you again for making this possible. We are excited to know that there are so many generous hearts at this time of year!

Please feel free to contact me with any questions at any time.

A very warm and happy holidays to you and your family,

Charity Remington
